125D31L

Case size: JIS D31, Grp 27R, N70L, NX120-7L

The Delkor 125D31L is a maintenance free starting battery with standard SAE posts. The superior design includes the latest PowerFrame® plate technology for significant improvements in durability and performance.

The Delkor 125D31L is designed to provide years of reliable, maintenance free starting for a wide variety of applications including passenger cars, 4x4's, SUV's and light commercial vehicles.

Features and Benefits

- Patented PowerFrame® plate construction
- Unique high density active material
- Maintenance Free design
- Built in hydrometer
- Patented liquid & gas separators
- Flame arrestors in vents
- Low resistance envelope separators
- High strength polypropylene case

Product details

- 12V Premium Silver Starting Battery
- Not suitable for ISS (Idle Stop Start) applications
- Assembly - RH Positive [- +]
- Voltage [V] - 12
- Battery Type - Calcium Battery (Ca/Ca)
- Cold Cranking Amps [A] - 760
- Battery Capacity [Ah] - 95
- Reserve Capacity [min.] - 160
- Length [mm] - 305
- Width [mm] - 172
- Height [mm] - 222
- Terminal Type - SAE
